

CELEBRATION WORLD RESORT®

Policies to keep our Furry & Non-Furry Guests Happy!

- At check-in, we do require proof of current vaccinations including rabies vaccination.
- We accept pets that weigh under forty (40) pounds. Pit Bulls, Rotweillers, Doberman Pinschers, German Shepherds, Wolves and/or exotic animals of any kind are not permitted regardless of weight.
- There is a \$50.00 pet fee per pet, per reservation. Note that there is a limit of two (2) pets per room or villa.
- Pets are not allowed in public areas such as the hotel lobby, pool, deck, playground or Sales Center.
- Owners/guests are responsible for cleaning up after pets; we encourage only happy memories to be left behind.
- Furry family members are required to be on a leash or in a cage at all times when outside of the rooms.
- When pets are alone in the room, consider leaving the radio or television on to simulate someone being in the room with them.
- Do not leave animals unattended in a motor vehicle. The high temperatures and humidity in Florida make it extremely dangerous to leave pets confined in a car.
- In the best interest of your pet and our employees, we will not clean any guest room where a pet has been left unattended.
- We strongly urge you to notify the front desk of any special cleaning or service arrangements. We will be happy to work with you in any way we can. It is our desire to see to it that your pets are not disturbed by our employees, nor given the opportunity to leave your room by mistake.

The following locations are available should you need their services:
